The screenshot shows the Zoom 'Select a window or an application that you want to share' dialog box. It features a 'Basic' tab and several window thumbnails including 'Main Screen', 'Screen 2', 'Whiteboard', 'iPhone/iPad', and a '네이버TV - Internet Expl...' window. A red box highlights the '네이버TV' window, and a red arrow points to it from a grey callout box containing the text 'SHARE 할 발표자료를 클릭' (Click the presentation material to be shared). Another red box highlights the 'Share computer sound' and 'Optimize for full screen video clip' checkboxes at the bottom, with a red arrow pointing to a callout box containing the text '공유할 동영상이나 사운드가 있다면 소리 공유 및 플화면 최적화를 체크해주세요.' (If you have videos or sound to share, please check sound sharing and full-screen video optimization). A 'Share' button is visible at the bottom right of the dialog.
