The screenshot shows the Zoom 'Select a window or an application that you want to share' dialog box. It features 'Basic' and 'Advanced' tabs. Under the 'Basic' tab, there are four main options: 'Main Screen', 'Screen 2', 'Whiteboard', and 'iPhone/iPad'. Below these are several application windows, including '네이버TV - Internet Exp...', '캡처 도구', 'My Profile - Zoom - Chr', and 'Zoom Cloud Meetings'. A red box highlights the '네이버TV' window, with a red arrow pointing to it from a large red text box that says 'SHARE 할 발표자료를 클릭' (Click the presentation material to be shared). Another red box highlights the 'Share computer sound' and 'Optimize for full screen video clip' checkboxes at the bottom, with a red arrow pointing to them from a red text box that says '공유할 동영상이나 사운드가 있다면 소리 공유 및 플화면 최적화를 체크해주세요.' (If you have videos or sound to share, please check sound sharing and full-screen video optimization). A 'Share' button is located at the bottom right of the dialog box.
